**2004 Sunny Slope Vineyard
Sonoma Valley Cabernet Sauvignon**

As a virtual rock quarry, Sunny Slope Vineyard's vines were planted in holes drilled or pick-axed out of fractured stone over 20 years ago. The deep roots—a result of maturity and years of laboring for water—combine with the warm southwest exposure to produce thick-skinned grapes which give us the concentrated flavors, inky color and extracted tannins that distinguish this vineyard. Flavors include: blackberry, black currant, plum, toast, spicy oak. It is very long on the palate, with a lightly tannic finish.

Dom Perignon Champagne

Donated by George F. Aney, Esq.

one 750 ml. bottle with display box

2000 Brut Champagne Cuvée Dom Perignon

Fresh crystalline and sharp, the first nose reveals a unique vegetal, aquatic world with hints of white pepper and gardenia. The wine's maturity then makes a gentle appearance before exhaling peaty accents. In the mouth, the attack is direct, a prelude to a lusty roundness that seems to curl up like a plant. The notes of anis and dried ginger glide over fruit skins (pear and mango); creating an effect that is more tactile than fleshy. Anticipated maturity: 2009-2019.
